

Journal – Lesson 16

---

Day1 (Inventor)

Everyone does chores. Now, think of a chore you have to do. Write a page that tells why this chore is important.

---

Day 2 (Inventor)

Everyone knows how to prepare some kind of food. Think of a food that you know how to prepare by yourself. Now, explain how to prepare this food.

---

Day 3 (Inventor)

Most people like to play games. Think of a game you know how to play. Now, write a how-to paragraph that explains how to play this game.

---

Day 4 (Inventor)

Most people have a favorite hobby. Think about your favorite hobby. Now, write a page that tells about your hobby and why you enjoy it.

---

Day 5 (Inventor)

Most people can build or create something. Think of something you have built or created. Now, write a paragraph that tells about what you created or built and why.
